All proceedings held in the Charles Wetmore Room, Wente Vineyards

Format:

Informal moderated sessions with lots of room for discussion. Presenters are encouraged *not* to talk about what they already know, but to pose questions and suggest new ideas. We do not want this to be just another conference of well-prepared talks. PLEASE keep your presentation as informal and as interactive as you can.

8:00 - 9:00	Continental breakfast and Welcoming Remarks
<i>Topic:</i>	<u><i>Algebraic Multigrid Methods</i></u>
<i>Session Chairs:</i>	<u><i>John Ruge and Klaus Stueben</i></u>
9:00 - 10:30	Presentation(s). Lay out the issues for discussion.
10:30 - 11:00	Break
11:00 - 12:00	Moderated discussion
12:00 - 2:00	Lunch & group discussions
1:00 - 2:00	Planned discussion: TaxonAMG/AnatAMG: What are the ingredients of the algebraic methods and can we unify or at least categorize them? (led by Van Henson and Klaus Stueben)
<i>Topic:</i>	<u><i>Algebraic Multigrid Methods</i></u>
<i>Session Chairs:</i>	<u><i>Van Henson and Ulrike Meier Yang</i></u>
2:00 - 3:30	Presentation(s). Lay out the issues for discussion.
3:30 - 4:00	Break
4:00 - 5:00	Moderated discussion
5:30 - 8:30	Dinner, Wente Vineyards Terrace
8:30	Dr. Tom Manteuffel, SIAM President: "The Role of Computational Science and Engineering Within SIAM" Wrap-up
